

## TUFF-KRAFT® KRAFT PAPER & REINFORCED MAILERS

Tuff-Kraft mailers feature tough construction and dependable performance and consistently outperform comparable mailers in back seam, closure seal, tensile strength, and tear-, puncture- and moisture-resistance.

Choose the look and protection needed from a mailer: white utility for aesthetics or promotions, a natural utility for cost efficiencies or a tan-reinforced for added tear-resistance. These rugged mailers are available flat, gusseted or gusseted flat-bottom (SOS) for vertical loading.

### Tuff-Kraft natural mailers:

- Consistently out-perform comparable mailers for durability
- Convenient, secure self seal closure
- Natural kraft color is an economic mailer option
- Recyclable\*, 50% post-consumer content
- Flat option secures documents and soft goods
- Gusseted option protect clothing, soft goods, durable articles and unbreakable parts

### Tuff-Kraft white mailers:

- White color adds aesthetic appeal
- Recyclable\*, 50% post-consumer content

### Tuff-Kraft fiberglass reinforced mailers:

- Fiberglass reinforced for added moisture- and puncture-resistance and exceptional tear strength
- Convenient, secure self seal closure

## THINK SUSTAINABILITY. THINK PREGIS.™

Tuff-Kraft natural and white mailers are part of the Pregis "green" family of products whose purpose is to address the growing need for sustainable packaging alternatives. Environmentally responsible practices are an important part of Pregis's business philosophy.
